

2024 IMPACT REPORT

MESSAGE FROM THE PRESIDENT

It's been just 3 years since we started NH Pet Aid and I'm delighted to report that we are really hitting our stride! This past year we were honored to be the recipients of several high-profile community fundraising events, and more pet owners in financial need were finding us when facing an unexpected veterinary emergency. Many of these were life-threatening situations for the pet and required an immediate response. Thankfully, we were able to respond quickly, saving many pet's lives. While our 8 volunteer board members continue to manage all aspects of the organization without any staff or office, we certainly couldn't do this work without you, our donors. It is our privilege to help pets and their families during a frightening medical emergency, and we are only able to do this because of your generous support.

With gratitude,
Patty

2024 OVERVIEW

FINANCIALS

NH Pet Aid had an extraordinary fundraising year after unexpectedly being selected by **Lonza**, **Revo Casino** and **Fabulous Find** to receive proceeds from their charitable activities. The funds from these special events give us the opportunity to consider future growth and to help even more pets in need.

DONATIONS RAISED.....	\$165,319
GRANTS PAID OUT.....	\$45,325
OVERHEAD EXPENSES..	\$4,494*
ROLLOVER TO 2025.....	\$115,500

CASES BY TOWNS

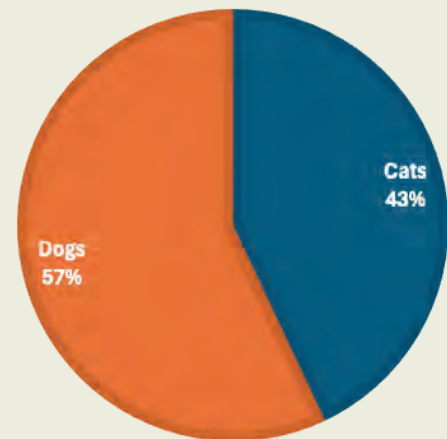

GRANT PROGRAM

NH Pet Aid accepts applications for grants of up to \$500 from pet owners in financial need residing in Rockingham and Strafford counties. We fund cases for cats and dogs that are urgent in nature and where there is a favorable outlook for the pet's recovery. We do not fund routine care such as annual wellness visits, spaying or neutering, or immunizations.

Our goal is to help pet owners with the greatest financial need, therefore applicants must be on some form of federal, state, or local assistance program. Grants are paid directly to the veterinarian.

DOG & CAT CASES

*The NH Pet Aid Board of Directors covers overhead expenses so that all donations from the community go toward our grant program.
